

## **Broadmoor Escape Warning Scheme**

You may be aware, that the Broadmoor sirens sound during their weekly practice at 10 am each Monday. If the warning siren is heard at any other time, it is signalling an escape and the following procedures will then be followed.

The school will open during an alert at the usual time - 8.45 am - unless the police have informed us that there has been a definite sighting of the escapee in the vicinity of the school. In these circumstances, the school may be kept closed. It is parents' responsibility to ensure that their child(ren) arrives at school safely. A message should be broadcast via local radio stations and will be on our school website if the school is to be closed.

In the event of the siren sounding during the school session, the school will run normally until the end of the day. Children will then need to be collected at 3.15 pm. **No child will be dismissed without a parent/named person.** Therefore, it is essential that we have up to date information of who will be collecting your child(ren).
