

Welcome to 3CC

Dear new class member,

Are you ready to join us at Westfields Junior School? In September we will start our learning journey with our 'Explore London' topic. You will get to find out about interesting London landmarks, the importance of the River Thames and identify the geographical features. You will enter the magical world of author Aaron Becker's book 'Journey' and learn the importance of a red crayon! You'll find out more about this in September.

I hope you have lots of thrilling plans for the holidays. During the summer break, I am looking forward to reading a range of autobiographies that have been sitting on my bookshelf for a while and, of course, spending time with my children! Remember to read as much as you can. Why not take part in our school's 'Reading Challenge' and have a picture taken of you reading in the most interesting place you can find. Bring it to school in September or email it into us at school (year3reading@westfields-jun.org.uk). I cannot wait to see them! Summer is a great time to keep practising your times tables too, ready to start our Magicians' Guild in September!

Have a wonderful holiday and I look forward to hearing about your holiday adventures. See you all in the new school year!

Kind regards,
Mrs. Courtney
