

Welcome to 4EC

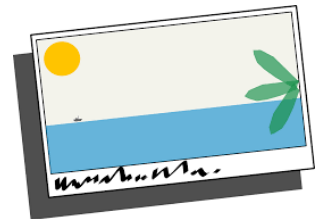

Dear new class member,

I am so excited to hear that you are joining me in Year 4 in September, particularly as

Miss Murray has told me lots of useful information about you all! I hope you are looking forward to delving back in time to the Ancient Greek period, exploring animals and the natural world as well as writing stories linked to monsters! I am passionate about all things Science and cannot wait to work with you and to teach you some new investigation skills.

This summer I am really looking forward to spending some quality time with my family and my rather cheeky cat, Twiglet. I am also incredibly excited to go on holiday to Lanzarote, where I can see the volcanoes, eat lots of delicious food and play on the beach. I am sure you will also have lots to share when we come back to school in September. If you have any time over the holidays it would be fantastic if you could write a postcard and post it to our school, read a new book and spend some time practising your times tables ready for a flying start to Year 4. If you visit Greece, maybe see if you can find any ancient clues for us too!

Remember to have lots of fun and stay safe. See you on Tuesday 4th September with your batteries fully recharged!

Kind regards,
Miss Cornall
