

Welcome to 4LB

Dear new class member,

I am so delighted to welcome you to your new class, 4LB! Together, we are going to take a thrilling new learning journey where we will meet some 'Groovy Greeks' along the way, as well as come face to face with the 'Rotten

Romans!' We will also be diving into the world of water and finding out, for instance, how it ends up trickling down our windows. In particular, I am looking forward to our English topics, where we will be taking inspiration from a number of short animation clips – get ready to write!

I am so excited to be moving to Year 4 – I know there is so much to look forward to in terms of your learning and our extra-curricular activities! Now that you have been at Westfields for an entire year, you will be ready to set a great example for our brand new Year 3s, who will be looking to you for guidance – how exciting!

Like most of the pupils and teachers here, I am sure you are looking forward to your summer holidays. I hope you have lots of exciting things in store for your time away from school, but that you also take time to rest, relax and recharge in time for September. I will be spending some time down by the coast in Devon, where I shall try to remember how to surf (here's hoping I don't fall off too many times). Another exciting event I will be preparing for is my sister's wedding which is in early September; I am a bridesmaid which I could not be more excited about! I have no doubt you will also have lots of news to share when we meet again in September – I can't wait to hear what you have all been up to!

All that is left to say is, have an absolutely brilliant and 'fun-filled' summer and I will see you ready and raring to go in September!

Kind regards,

Miss Barrand
