

Welcome to 5DT

Dear new class member,

I am really excited to welcome you to your new class, 5DT. This is my first year at Westfields, so I am looking forward to covering some of our new topics just as much as you are! We will be learning about the Vicious Vikings, the stars and the planets as well as discovering exactly what an earthquake is. In addition to this we will also be looking at lots of new and interesting writing topics, such as flashbacks and Shakespeare's Macbeth.

As you move up to Year 5 you will be given greater responsibilities and will be expected to set an example for the younger children. However, from what I have been told by Miss Creelie I know you will all be fantastic at this!

I hope that over the summer you find time to relax and recharge, but I also hope you have lots of fun things planned too! I will be staying in a cottage in Ludlow for a week as well as setting our classroom up ready for September! During my holiday I will also be reading lots of books as that is one of favourite things to do when I'm relaxing. I really hope that you will also find time to read over summer as this will help make your writing even better and stretch your imagination! Practising your times tables over the summer would give you a head start to your time in Year 5 too.

I am really looking forward to seeing how brilliant you all are and hearing about all the exciting things you did over the summer!

Enjoy your holiday and stay safe!

Kind regards,

Miss Taylor
