

## Welcome to 6LL!

Dear new class member,

I am absolutely delighted to be teaching you next year! I have heard so many exciting things and am looking forward to getting to know each and every one of you. This will be my second year at Westfields as well as leading Year 6 and I can't wait!

Are you ready for your final year? There is so much to look forward to! We have incredible topics including: WWII, where we host a tea dance and design modern Anderson Shelters; a study of the local area in which we create models of our town and design a moving shop window; exploring gruesome punishments throughout History and so much more! This does not even include our extended curriculum activities such as our residential, Fiver Challenge and of course our Year 6 play. I hope that you are looking forward to it just as much as I am!

Year 6 is definitely busy so it is important to start the year in the best position possible. I hope that you have an amazing break with plenty of rest but please make sure that you continue to practise those all important number skills, including times tables, as well as read a book (or several)! Maybe you could even take part in the Summer Reading Challenge by visiting your local library.

Do you have exciting travel plans for the summer holiday? I am looking forward to hearing all about your adventures when we return in September. I am jetting off to Portugal with my family where I am hoping to relax, delve into a good book (or two), explore the sights and teach my youngest child how to swim. I will also spend time at school ensuring that our classroom is ready for the first day of term.

I hope that you have a fantastic break and look forward to seeing you refreshed on the first day of term.

Kind regards,

Mrs Long
