Reading Matters Week Celebrating Roald Dahl 10th – 14th September 2018

Dear Parents,

As reading is a fundamental skill which underpins all aspects of learning, and we would like to begin the new academic year promoting reading, we have organised a 'Reading Matters Week'. This event aims to promote the importance of reading, enthuse and motivate our children to share in the enjoyment of reading, as well as have lots of fun!

Within this exciting week, the children will be undertaking a variety of reading themed activities within school. We will be delving into the wonderful world of Roald Dahl and each class will have the opportunity to read and share one of his beloved stories. Each class will explore each book further by creating an activity pack for their chosen story and we are looking forward to displaying these in our fantastic library.

The Big Buddy Read – Friday 14th September

To complete our Reading Matters Week with a special event, on Friday we will be holding a 'Big Read'. For this event, the children are invited to come to school dressed in their pyjamas! Onesies may also be worn but please ensure your child still wears outdoor footwear eg. School shoes or trainers. We would also like to encourage the children to bring in one of their favourite books from home as they will have the opportunity to share their chosen book with other children from their buddy class.

We hope you will agree that this is destined to be a valuable and enjoyable themed week and would like to thank you for your support.

Regards,

A handwritten signature in black ink that reads 'L. Long'.
