YATELEY SCHOOL

September 2018

Learning together – Empowered for life

Dear Parent/Carer

Open Evening - Thursday 27 September at 6.30pm – 9.00pm

Open Morning - Tuesday 2 and Wednesday 3 October at 9.30am – 11.00am

As you may well be aware, our Open Evening and Open Mornings for prospective families are fast approaching. On behalf of Yateley School I am delighted to welcome you to these events and do hope that you will be able to join us.

As a parent myself, I am very well aware that you face an important decision in choosing a secondary school for your child and we believe that Yateley School represents an excellent and proven choice. Through these open events we will give you a clear insight into what we offer and the educational vision that underpins our ambitious work. We pride ourselves on making the transition into secondary school as positive and enjoyable an experience as possible. The vast majority of children transfer very successfully. There is a lot to look forward to for the class of 2024 and Yateley School is a school on the up from an already strong foundation! There is continued improvement in examination results, a very encouraging OFSTED report in 2018 and a great sense of community and ambition.

Open Evening Thursday 27 September from 6.30pm – 9.00pm

This is an excellent opportunity to see our school at work. All of the departments will be open and sharing what they offer. There will be talks from me and other colleagues and the chance to look at pastoral care, educational support and transport if needed. We aim to be on hand to answer all of your questions.

Open Mornings 2 October and 3 October 9.30am – 11.00am

I would also like to invite you and your son or daughter to one of our forthcoming open mornings. They are a great opportunity to see the school at work on a normal day and a further chance to talk to students and staff. I will start the mornings by speaking briefly with you and share the Yateley vision. There will follow a tour of the school with one of our sixth form students who will be able to talk to you about their experience and understanding of the school. After this, senior staff will be available to answer any further questions while refreshments are served.

I am extremely proud of Yateley School. I am keen to build on the successes that we have already achieved and look forward to a tremendous future. I am confident that we have a wide range of opportunities for your child, alongside real challenge and I am looking forward to working with you to ensure their success. I do hope that you will be able to join us.

Yours faithfully

Mr P German
