

How to make a cardboard rocket...

You will need:

- ▶ a cardboard tube (kitchen roll is best!)
- ▶ a circle of paper
- ▶ sticky tape
- ▶ glue
- ▶ scissors

Optional:

- ▶ felt tip pens/colouring pencils
- ▶ tin foil
- ▶ glitter
- ▶ tissue paper
- ▶ coloured paper

What to do...

- ▶ Get a cardboard tube (paint it or cover it in paper)
- ▶ Cut a circle of paper with a slit from the edge to the middle point, curl it round to make a cone, stick with tape or glue
- ▶ Attach the cone to the cardboard tube
- ▶ Cut out fins and attach
- ▶ Decorate

Optional:

- ▶ Attach tissue paper flames
