UNITE - INSPIRE - EXCEL

10th December 2018

Dear Parents,

Please find attached next term's club timetable detailing the varied opportunities for all year groups. I am delighted to inform you that Mrs Wilson will continue with her highly popular Young Minds Club. We are also very excited to let you know of a couple of new clubs this term, we have a new Family Fitness club that will be run by Mrs Livingstone, where parents will be able to join their children for a fun fitness session, although, children may also attend on their own. Mr Medwell is starting a new Debating Club this term, for those children who love to argue – I mean 'debate'. We are also excited to announce that Mrs Try is going to be running a Quilling Club for those who wish to get creative with paper! In addition to these it is great to report that some very popular clubs are returning, these include Comic Drawing, Hockey and of course Netball!

If you would like your child to participate in any of our clubs, please complete and return the application form, along with payment, **before the club commences**. Payment for clubs on Tucasi will open on Tuesday 11th December 2018.

As ever, spaces for clubs will be allocated on a first come, first served basis. If your child has been unsuccessful in obtaining a place for the club(s) of their choice, you will receive a notification via text message.

For safety reasons, please make sure you inform us if your child will not be attending a session by calling or popping into Reception. In addition, I would be grateful if, when collecting your children from an after school club, you are punctual as some children worry when their parents are late. Finally, I would like to make you aware that clubs provided by external coaches will be registered and dismissed by the external coach, not a member of Westfields Junior School staff.

Please note that, due to Parents' Evening, there will be no Quilling Club on Monday 4th March.

I sincerely hope that your child(ren) enjoy these extended curriculum opportunities and benefit from the many varied opportunities to explore new skills and interests.

Kind regards,

Miss Jo Redman
