

Welcome to 6LL!

Dear new class member,

Are you ready to embark on your Year 6 learning journey? We have so much to look forward to next year; it will be jam-packed and full of exciting learning opportunities! I am absolutely delighted to be teaching you and have already heard just how hard working you all are. I am looking forward to getting to know each and every one of you and seeing your development during your final year at Westfields.

There is so much to look forward to and I hope that you are just as eager as I am to begin our journey together! We have incredible topics including: World War II, where we host a tea dance and design modern Anderson Shelters; a study of the local area in which we map our town and design a moving shop window; exploring gruesome punishments throughout History and so much more! This does not even include our extended curriculum activities such as our residential and of course our Year 6 play. I hope that you are looking forward to it just as much as I am!

Year 6 is definitely busy so it is important to start the year in the best position possible. I hope that you have an amazing break with plenty of rest but please make sure that you continue to practise those all important number skills as well as read a book (or several!) Maybe you could even take part in the Summer Reading Challenge by visiting your local library.

Get involved with the
**SUMMER
READING
CHALLENGE**

Do you have exciting travel plans for the summer holidays? I am looking forward to hearing all about your adventures when we return in September. I am jetting off to Disney World with my family and I am extremely excited to spend to quality time with my children - not to mention going on lots of rides and meeting Mickey Mouse!

I hope that you have a fantastic break and look forward to seeing you refreshed and raring to go on the first day of term.

Kind regards,

Mrs Long
