

# Welcome to 5DT

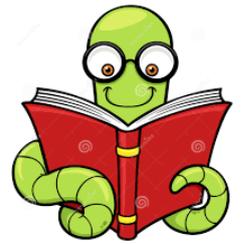

Dear new class member,

I hope you are all as excited as I am for you to continue your learning journey at Westfields! You certainly will not be disappointed with the range of opportunities you are offered in Year 5. We will be learning about the Vicious Vikings, the stars and the planets as well as discovering exactly what a volcano is. In addition to this, we will also be looking at lots of new and interesting writing topics, such as flashbacks and Shakespeare's Macbeth.

I started in Year 5 last year and having taught all of our thrilling topics already, I know you are going to love all the learning we have planned for you! As part of Year 5 you will be given greater responsibilities and will be expected to set an example for the younger children. However, from what I have been told by Mr Ratcliffe I know you will all be fantastic at this!

I hope that over the summer you find time to relax and recharge, but I also hope you have lots of fun things planned too! I will be spending my summer in Australia travelling along the East Coast and seeing what I can discover! During my holiday I will also try to read lots of books as that is one of my favourite things to do when I'm relaxing. I really hope that you will also find time to read over the holidays as this will help make your writing even better and stretch your imagination! Practising your times tables and division facts over the summer would also give you a head start to your time in Year 5 too.

I am really looking forward to seeing how brilliant you all are and hearing about all the exciting things you did over the summer!

Enjoy your holiday and stay safe!

Kind regards,

Miss Taylor
