

Welcome to 5SP

Dear new class member

I am really looking forward to welcoming you to your new class 5SP. It will be my first year teaching at Westfields Junior School and I am very excited. I can't wait to meet and get to know you all and am relying on you to teach me all about your school; you might need to help me find my way round if I look lost. I am

looking forward to sharing your learning journey as we blast off into space to find out all about the sun, moon and planets; step back in time to explore the with the Vicious Vikings and Anglo-Saxons; travel to the Yucatan peninsula to marvel at the mysterious Mayan culture and finally make sure we are on safe ground to investigate the explosive volcanoes; I was lucky enough to visit Mexico and the Mayan ruins earlier this year and I am looking forward to telling you all about it.

As you move up to Year 5 you will be given greater responsibilities and will be expected to set an example for the younger children. However, Miss Barrand has told me that you will all be fantastic at this!

I hope that you have a fun-filled summer planned with lots of exciting things to do, whether it is in the UK or abroad and I am sure that you will be catching up with friends. Make sure that you also find time to relax and recharge ready for the year ahead! I have a very busy summer planned as I will be visiting my mum in South Africa as well as enjoying the sun in Zakynthos in Greece. Of course I will also be making sure our classroom is ready for September! During my holiday (as well as exploring) I will also be reading lots of books as that is one of favourite things to do when I'm relaxing. I really hope that you will also find time to read over summer as this will help to give you some fantastic ideas to use in your own writing; we can share some of your favourites in September. Practising your times tables over the summer would also give you a head start to your time in Year 5 too.

Have a fabulous break and stay safe. See you in September ready hear all about your summer adventures and start our Year 5 adventure together!

Kind regards,
Mrs Patey
