

## Welcome to 4RP!

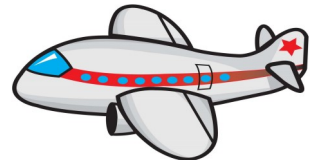

Dear new class member,

I hope you are as excited as I am to join Year 4! Are you looking to delving back in time to the 'Groovy Greeks' and the

'Revolting Romans'? How about writing a blog about the life of a Storm Chaser or a conquering a monster tale? This is just a small glimpse of the learning you can look forward to!

This summer, I am going to be exploring much of the British Isles including Kent, Wales and Wiltshire. I particularly enjoy camping holidays and I will be taking a short break to Devon. During my time there, I hope to learn the skill of surfing for the first time (I will certainly let you know how I get on!) I am sure you will also have lots to share when we come back to school in September. If you have any time, it would be fantastic if you could write a postcard and post it to our school, read a new book and spend some time practising your times tables, up to 12x12, ready for a flying start to Year 4. If you visit Greece, maybe see if you can find any ancient clues for us too!

Have a wonderful and safe holiday and I look forward to meeting you again on Thursday 5th September!

Kind regards,  
Miss Porter
