

## **Westfields Junior School**

### **PE and Sports Premium Funding 2018-19 (Review Summer 2019)**

At Westfields Junior School we aim to prepare all of our children to be healthy individuals. We promote the achievement of high standards in a range of sporting activities within and beyond the curriculum. Our aim is for pupils to leave our school with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and we hope lifelong participation in physical education and sport. All our pupils follow a teaching programme in games, gymnastics, athletics and dance amounting to a minimum of two hours per week. In addition to this there are termly events to promote active and healthy lifestyles.

Westfields Junior School is a member of the North East Hampshire Sports Partnership and our pupils take part in a range of competitions, leagues and festivals. At Westfields we use our Sports Premium funding to make additional and sustainable improvements to the quality of PE and sport provision through:

- Developing PE and sporting activities that the school already offers
- Making improvements that will benefit pupils joining the school in future years.
- The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
- The profile of PE and sport being raised across the school as a tool for whole school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sport
- Broader experience of a range of sports and activities offered to all pupils
- Increased participation in competitive sport
