Parents SATs Information Meeting

Dear Parents,

As you will know from Miss Redman's newsletters, we are holding a SATs Information Meeting on **Wednesday 9th October 6.30-7.30pm**. The aim of this meeting is to ensure that you are fully informed of what to expect during SATs and how to support your child. We hope that many of you will be able to attend this important and informative meeting.

During this briefing, we will share details about:

- the purpose of the forthcoming SATs
- how our school prepares pupils for SATs
- arrangements for SATs week
- ways in which you can support your child before and during SATs

We hope that this will put you in the best position to feel confident in supporting your child whilst ensuring 'stress' levels are minimised! During this meeting, you will also have the opportunity to browse past papers so that you know the format and structures of these assessments.

We would be grateful if you could complete the slip below indicating your attendance to enable us to accommodate numbers. Unfortunately, due to the content of this meeting and the style of presentation, it is not appropriate for children to attend, but please be assured the children will be well-prepared and fully informed about their End of Key Stage Assessments.

Yours sincerely,

Mrs Long
Year 6 Team Leader

Miss Barrand
Year 6 Class Teacher

Miss Creelie
Year Class Teacher
