Weekly Spellings

Name \_\_\_\_\_ Class \_\_\_\_\_

## Year 5 Spellings

The National Curriculum set out the spelling rules and patterns as well as spelling lists children in each year group need to learn. To help you spell these words, we set weekly spellings for you to learn and this booklet contains all your weekly spellings for the year.

Each week, you will learn 8 spellings that follow a spelling rule or pattern and then you will have 2 additional words which are words children in Year 5 should to be able to spell. To help you with your spellings, your teacher will teach you the rules and patterns and in this booklet, there is space for you to carry out the 'Look, Say, Cover, Write, Check' strategy at home. This will help you learn your spellings; you can also practise rainbow writing (writing out your spellings on top of each other in different colours, spell them out to an adult, be tested by an adult, write sentences with the spelling word in and you can also make mnemonics e.g. because – **b**ig **e**lephants **c**an't **a**lways **u**se **s**mall **e**xits.

You will be tested on a Monday and on Tuesday, after your teacher has checked your spellings, you will tick the words you have spelt correctly in this booklet so you can keep a record of your progress. At the end of each half term, you will have a spelling test of selected words from the previous half term to see what you can remember!

Remember...Practise makes perfect!
