UNITE - INSPIRE - EXCEL

Stone Age Experience Day – Thursday 27th February 2020

Dear Parents,

As you are aware from our topic web, as part of our History Curriculum this term Year 3 are learning all about life from the Stone Age to the Iron Age. On Thursday 27th February, we have a fantastic creative day planned for the children to immerse themselves further into what life was like in Britain during the Stone Age. During this event, the children will participate in a variety of Stone Age themed activities including:

- Painting a design for a Stone Age cave,
- Making a 3D model of a Stone Age hunter's hut,
- Investigating how Stone Age people counted.

To help get us in the mood, we would love for the children to dress up in Stone Age costumes! We hope this will be stress-free and fun, and we will certainly share some ideas at school for anyone who is stuck! It does not need to be costly as you might be able to use some old clothes (or a pillowcase!) and a belt.

And just a little advanced notice, it would be great if 3MP keep their costumes safe as they will be wearing them again for their Class Assembly at 10am on Friday 6th March which is also all about the Stone Age!

Please be aware that we are no longer asking for contributions at various points throughout the year for these extracurricular activities. **Instead, as you may recall from our meeting in September, we are requesting a one-off voluntary donation of £10.00 to cover costs of enrichment activities like this one.** If you have not already made a donation, this can be paid online via Tucasi or the School Office – thank you!

We are all very excited about this upcoming extended curriculum opportunity and are looking forward to seeing the children in their costumes.

Kind regards,

C. Courty
