UNITE - INSPIRE - EXCEL

28th February 2020

Dear Parents,

On Tuesday 24th March, Year 5 have an exciting and jam packed Creative Day to look forward to. Linked to our Anglo-Saxon and Vikings topic, the children will be taking part in a range of Anglo-Saxon and Vikings activities including cooking, helmet making and crafting Anglo-Saxon jewellery. In the afternoon, we will join together as a whole year group in a historical role play between the Angles and Danes around a campsite and act out Viking stories. Finally, we will end the afternoon with a celebratory feast!

For our Creative Day, we would like everyone in Year 5 to come to school dressed as an Anglo-Saxon or Viking, preferably wearing something warm (some activities will be outside!) and comfortable that the children can move in! A plain brown, green, yellow or red adult sized t-shirt, with a belt tied round, worn over plain trousers would work well. If you can manage wigs, beards, cloaks and boots that would be ideal but there is no need to go out and buy a new costume. We hope that it will be stress free and fun; it's amazing what you can make from things found at home!

As mentioned in Miss Redman's newsletter at the beginning of the academic year, we asked for an annual voluntary donation to enable us to provide these extra curricular enrichment activities. Thank you to those parents who have already contributed; if you have not and you would like to, this payment can still be made online via SCOPAY or the School Office.

We are all very much looking forward to this learning opportunity and promise that we will upload photographs onto the Year 5 page on the school website and on Twitter so you can see the fun we had!

Kind regards,

Mr Chaplin
Year 5 Team Leader
