The background is a vibrant purple wall. At the top, a row of white cards displays the alphabet from 'a' to 'y' in a playful, handwritten font. Two yellow stars are placed among the cards. On the right side, a large red pencil character with a face, wearing a blue cap and holding a small sign that says 'Zz', is visible. In the bottom right corner, a cartoon pencil character with a large yellow eye and a smiling mouth is peeking out. A small easel with a pink marker is also present.
