

25<sup>th</sup> September 2020

Dear Parents,

**PAWS After School Film Nights**

After almost six months without any fundraising events, we are pleased to inform you that we will be holding a series of Film Nights at the beginning of October. To ensure that children remain in their year group bubbles and to comply with current government guidelines Film Nights will be held over four days. The film will be **Spies in Disguise** classification PG.

**5<sup>th</sup> October** – Year 6

**6<sup>th</sup> October** – Year 5

**7<sup>th</sup> October** – Year 4

**8<sup>th</sup> October** – Year 3

The showing will take place in the school hall between 3.15pm and 5.30pm.

If you would like your child to stay after school to watch this film, please complete and sign the attached permission form and return it to school with cash in a sealed envelope. By returning the permission form you are agreeing to your child watching **Spies in Disguise** which has a classification of **PG**. We ask that replies are in by **Wednesday 30<sup>th</sup> September 2020**, as this will allow time for a register to be drawn up for the event and for refreshments to be purchased.

At the show each child will be provided with a flavoured water drink carton, a packet of crisps and some sweets. Please complete specific details of any allergies or dietary requirements your child may have on the attached permission form, in order for us to cater for these. **The cost of this event is £4.00**. Please note that children will be expected to sit quietly during the show to ensure all children enjoy the event.

We look forward to another fantastic film showing.

Yours sincerely,

PAWS Friends of Westfields Junior School

**Spies in Disguise**

Super spy Lance Sterling and scientist Walter Beckett are almost exact opposites. Lance is smooth, suave and debonair. Walter is not. But what Walter lacks in social skills he makes up for in smarts and invention, creating the awesome gadgets Lance uses on his epic missions. But when events take an unexpected turn, Walter and Lance suddenly have to rely on each other in a whole new way. And if this odd couple can't learn to work as a team, the whole world is in peril.
