Address: School Lane, Yateley, Hampshire, GU46 6NW

Learning together – Empowered for life

19 April 2021

Dear Parent/Carer(s)

Firstly, I would like to take this opportunity to introduce myself as the Year 5 Activities Co-ordinator at Yateley School. As a school, we have been working behind the scenes to ensure that we are able to offer an introduction to secondary school that will leave you and your children excited and motivated for the future.

You will be pleased to know that, providing restrictions allow, we are still planning to hold our popular Activity Day in June, but in the meantime please find a link to a video that we have compiled which hopefully you and your child will find interesting and fun. This video contains a welcome from our Headteacher, Mr German, as well as a hello from me. The Year 8 students kindly offered their time to explain what the transition process was like for them and the Head Boy and Girl highlight their experience of the Yateley seven year journey. We hope that you find this information enlightening and it highlights just how enjoyable students find their time here with us.

https://vimeo.com/531665502

I will be contacting the primary schools shortly with a view to holding an assembly, accompanied by a few of our current Year 7 students to talk to Year 5 about the transition to secondary school, the upcoming Year 5 days and the opportunities that Yateley School can offer. This of course will be dependent on restrictions being eased.

I would also like to add that we will of course be holding our main Open Evening in the autumn term when we can showcase the opportunities that Yateley School can offer your children. Before then, you may wish to have a sneak preview and I encourage you to head over to our website https://www.yateleyschool.net/

Yours faithfully

Mr Michael Scanlon
Teacher of Food Technology and Year 5 Activities Co-ordinator/Lead
