31st March 2021

Dear Parents,

We are excited to inform you that during the Summer Term your child will be learning to play the recorder as part of their music curriculum. In order to prepare for this we wanted to give you the opportunity to purchase a recorder for your child from school via Scopay at a cost of £3.00.

Please note there is no obligation to purchase your own recorder as the children can be provided with a school one (which will be allocated to them for health and safety reasons). The children will need to have their recorder in school every other Wednesday so they can either be kept in their school tray or brought in every fortnight.

To ensure we order enough recorders please could you complete the reply slip below and make payment via Scopay by **Wednesday 21st April 2021**.

Yours sincerely,

Miss K Bland
