PE and Sports Premium Funding 2017-18

At Westfields Junior School we aim to prepare all of our children to be healthy individuals. We promote the achievement of high standards in a range of sporting activities within and beyond the curriculum. Our aim is for pupils to leave our school with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and we hope lifelong participation in physical education and sport. All our pupils follow a teaching programme in games, gymnastics, athletics and dance amounting to a minimum of two hours per week. In addition to this there are termly events to promote active and healthy lifestyles.

Westfields Junior School is a member of the North East Hampshire Sports Partnership and our pupils take part in a range of competitions, leagues and festivals including netball, football and tag rugby.

At Westfields we aim to use the funding to make additional and sustainable improvements to the quality of PE and sport provision through:

- Developing PE and sporting activities that the school already offers
- Making improvements that will benefit pupils joining the school in future years.
- The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
- The profile of PE and sport being raised across the school as a tool for whole school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sport
- Broader experience of a range of sports and activities offered to all pupils
- Increased participation in competitive sport
