

Our School Dog... Dexter's News!

August 2020 - Post No.7

Hey there Westfields! I'm still here! I know it is the holidays but I thought you would want to be kept up to date with all my news and I have been very busy!

I hope that you have been having as much fun as I have?! Firstly I must begin by saying I've enjoyed the later starts in the day as I don't even get Miss Redman out of bed until about 7 o'clock so she has a REALLY long lie in which I think she likes too! As it was been so sunny, I've had lots of fun keeping cool in my paddling pool—I wonder how many of you have done the same?

We have also been out and about exploring. Firstly, I'd like to introduce you to my best friend Bella— here you can see us sharing a stick! It is so funny, often neither of us are remotely interested in any sticks but then suddenly there is a really good one and we both must have it!

Perhaps most excitingly, I have been on a ferry for the first time! We only went to the Isle of Wight which isn't very far but I absolutely LOVED it! As you would expect I was very good and I only did two teeny tiny wee wees on the ferry where maybe I shouldn't have! We had a lovely couple of days exploring the island, I saw the Needles at Alum Bay and met some of my distant relatives when walking along the seafront at Ventnor and Ryde! Other sausage dogs are always so friendly and I love playing with them so this was a real treat!

I am looking forward to hearing all of your holiday news and hope lots of you have completed Mrs Longs A-Z Reading Challenge as well as the Caught Reading task and of course Mrs Wilson's tasks too...oh yes then there is also Miss Porter's Around the World Challenge—I'm sure you've all been very busy!

Love,

Dexter
