

Our School Dog... Dexter's News!

August 2021 - Post No.19

Happy holidays! I hope you have all been enjoying all of your free time throughout August! I have really missed you all and can't wait to see you soon but hope you've had time to recharge your batteries as well as have lots of fun with family and friends—I certainly have!

So ...what have I been up to, where to begin?! We have spent quite a lot of time local to home but we did go down to Brighton to visit my aunt and cousin. As you can see, I do rather love a walk along the beach (even if the weather is not as sunny as I'd like it to be) although I daren't get too close to the wild waters, as I'm not the greatest swimmer!

While we were visiting the coast, we also took my cousin Zach to a wakeboarding lesson, Miss Redman was very impressed with my behaviour as I just happily sat in the sun and watched Zach develop his skills—he was brilliant and I quite fancied having a go myself but Miss Redman says wakeboarding is not for dogs!

In terms of some summer holiday culture, one sunny Sunday afternoon, we went to listen to a live band by the river which I really enjoyed until they played a section with an electric guitar which I did not like one little bit but the distraction of a yummy doggy ice-cream certainly helped.

With all of the rain and sunshine, our garden has been growing beautifully so this has been supplemented with a visit to the garden centre as ever, I was particularly helpful as you can see from this snap... I tried to get Miss Redman to push me faster but she said we had to be sensible and think about the other customers; sometimes she does spoil my fun!

Enjoy the last few days of the holidays, I can't wait to see you all soon (especially my new Year 3 friends!) when the term starts.

Love,
Dexter
