

Website resources to support children with additional learning needs

Remote learning will be set for children who have tested positive for COVID-19 via ClassDojo. The learning and activities set are based on the learning objectives for that specific year group however, with a range of abilities within each year group, teachers are setting differentiated tasks and challenges, tailored to meet the needs of all the children. There will be some/many of these that your child will be able to access and hopefully, with the guidance and explanations given by the teachers, they will be able to complete the tasks that have been set.

In addition to the year group learning activities, we will also be providing further support for children working significantly below their year group expectations or requiring specific support in an area of their learning and this will be communicated to you by your child's class teacher. In addition to that support, you will also find a range of websites that you can access that can provide either alternative tasks or additional support should you require it.

www.twinkl.co.uk Access high-quality learning during any periods of disruption with Twinkl. Many resources need a paid subscription however, if you search for the '**SEND School Closure Home Learning Resource Pack**', you will find information and resources for different areas of need.

<https://www.youtube.com/c/gohairy> Nessy's new Youtube channel 'Go Hairy' is aimed at children who still need phonics and early reading skills consolidation. The learning is aimed at Early Years (Foundation Stage) to Year 2 National Curriculum expectations. Hairies and Yetis teach memory strategies, help children understand phonics and develop number sense, while also having great fun!

<https://new.phonicsplay.co.uk/> PhonicsPlay is a fantastic resource to support children with their phonics knowledge, there are lots of fun games to play.

<https://play.numbots.com/#/intro> Numbots is created by the same company who provide Times Tables Rockstars. Log on with your child's TT Rock Stars username and password on this link to find useful maths activities.

<https://classroomsecrets.co.uk/free-home-learning-packs/> Classroom Secrets have a free online learning platform at <https://kids.classroomsecrets.co.uk> where you can select the relevant year group content to access tutorials.

<https://www.bbc.co.uk/bitesize/levels/zbr9wmn> BBC Bitesize has a wealth of activities, videos and learning tools.

<https://www.topmarks.co.uk/> Topmarks provides learning tools for English and Maths. You can select the relevant year group content to access appropriate material.

<https://www.oxfordowl.co.uk/for-home/> Need any more books? Oxford Owl has reading scheme books that you can use as well as related activities.

www.communication4all.co.uk – resources especially designed by teachers for children with additional needs.

https://playhooray.co.uk/blogs/news/play-for-all-ages?fbclid=IwAR3hzRjiUtIKURp0m4HeE_tb7SpQX4bsBseEflYWHXITx6_NMA sellu3x fw Playhooray! have created lots of free downloads for you to print and use at home catering for all ages of children. Play is a great way to break up the day, but continue to support children's learning and development. Play encourages children to be active, not only physically but mentally too!

https://www.senresources.co.uk/?fbclid=IwAR08_IW98hRds96BYD4I7gleKwdmhrV_2vgDyyX8Cdz_9xCmfqzvhcaHIE Click this link to download a social story to help your child understand the Coronavirus.

If you require any further support, please contact your child's class teacher.
