

Year 5 Home Learning Activities

On this page, you will find a range of activities that your child can complete if they are not attending school whilst awaiting the results of a PCR test. Following this, if your child needs to self-isolate for a longer period of time, home learning will be set via ClassDojo as soon as your child is well enough to complete it.

<p>Reading</p> 	<ul style="list-style-type: none"> • Read the reading books you have borrowed from school or have at home, remembering to record your learning in your Reading Record. • Remember that you can log onto https://westfieldsjun-hantssls.wheelers.co/ using the username and password in your Reading Record to borrow online books and listen to audio books. • To develop your reading skills, use the link https://www.bbc.co.uk/bitesize/articles/zh9qkty By the end of the tasks, you will understand the importance of inference.
<p>Spellings</p> 	<ul style="list-style-type: none"> • Spend time practising your weekly spellings using Spelling Shed. • To practise your spellings further, you could try rainbow writing (writing out your spellings on top of each other in different colours), building blocks (write the first letter, then underneath write the first and second letter and continue with this until you have completed the word), spell them out to an adult, be tested by an adult, write sentences with the spelling word in and you can also make mnemonics e.g. because – big elephants can't always use small exits.
<p>English</p> 	<ul style="list-style-type: none"> • Improving your use of sentence structure is key and learning how to use relative clauses will help you. Use the link https://www.bbc.co.uk/bitesize/articles/zkcd7sg to practise using them. • Using direct speech in writing is important as characters need to use dialogue to communicate and to help the story move on. Use the link https://www.bbc.co.uk/bitesize/articles/z8d78hv to make sure you can include direct speech, punctuating it correctly.
<p>Number facts and Multiplication Tables</p> 	<ul style="list-style-type: none"> • To practise your number bonds, doubles, halves, square numbers and times tables, you can play 'Hit the Button' https://www.topmarks.co.uk/maths-games/hit-the-button • Use the log in information in your Reading Record to complete activities on TT Rockstars to help practise your times tables.
<p>Maths</p> 	<ul style="list-style-type: none"> • Log into MyMaths to play a range of maths games. • On MyMaths, to practise key areas of maths, select 'Year 5 Booster' where you can access a range of key learning activities. Lessons run alongside each activity to give you a helping hand. • Oak National Academy also have a range of lessons to take part in. Use the link https://classroom.thenational.academy/subjects-by-year/year-5/subjects/maths to access lessons that you would like to revisit or carry out.

Websites for additional activities

Numbots (use your Times Table Rock Stars user name and password)

<https://play.numbots.com/#/account/school-login/22287>

Twinkl (follow this link once you have signed up for a free account)
